District Graduation Requirements

Credit Requirements at a Glance

Subject	Credits
Language Arts	4.0
Science	3.0 [^]
Mathematics	3.0 ⁺
World Language (same language)	2.0 ^{^^} 2 can be (PPR)
Social Studies	3.0
Arts	2.0 ^{^^} 1 can be (PPR)
Physical Education (P.E.)	1.5 ^{^^}
Health	0.5
Occupational/Career & Technical Education	1.0
Electives	4.0
Total	24.0

[^] 2.0 lab science, 1.0 non-lab science

⁺ Algebra I, Geometry, and a third credit of high school mathematics, aligning with the student's interests and high school and beyond plan.

^{^^} A student may request to be excused from P.E. under certain conditions, per state law and district policy.

^{^^^} Personalized Pathway Requirements (PPR) are related courses that lead to a specific post-high school career or educational outcome chosen by the student based on the student's interests and High School and Beyond Plan, that may include Career & Technical Education, and are intended to provide a focus for the student's learning

Students must fulfill the graduation requirements that are in place when they first enter ninth grade, unless the state legislature votes to reduce those requirements. The requirements will not increase once a student has started ninth grade. The requirements do not change even if the student's graduation year changes.

Students must fulfill the following three requirements for graduation:

1. Earn High School Credits as shown in the table to the left

Students must earn at least 24 credits to graduate.

2. Complete a High School and Beyond Plan

To graduate, all students must develop a High School and Beyond Plan specifying how they will meet high school graduation requirements and what they will do following high school. Students begin their plan in eighth grade and revise it each year as they progress through middle and high school. The High School and Beyond Plan should include the classes needed to prepare for a postsecondary pathway, such as a two-year or four-year college, technical college, apprenticeship program, certificate program, the workforce or military training.

3. Meet the requirements of at least one graduation pathway option* in English Language Arts and Mathematics:

- Meet standard on the Smarter Balanced Assessment
- Complete and qualify for credit in related dual credit course
- Earn credit in high school transition course (Bridge to College)
- Earn C+ in related Advanced Placement or Cambridge course or 3 or higher on AP exam or E on Cambridge exam
- Meet State Board cut scores on SAT or ACT
- Meet any combination for ELA and math described above
- Meet standard on Armed Services Vocational Aptitude Battery
- Complete a sequence of CTE courses relevant to student's postsecondary pathway

For more information about graduation requirements, go to: www.lwsd.org > Schools >High Schools> High School Guide.

**Subject to LWSD Board of Education approval*
